211.	ALIBABAEI Mehdi (a.k.a. He directs IRGC and Basij forces in the city of Qom. Following the death of Mahsa Amini in September 2022, some of the most intense protests have been seen in the city of Qom. Security forces, including the IRGC and the Basij militia were deployed to violently crack down on these protests. Since March 2023, the IRGC and Basij militia have also been instructed to enforce the mandatory hijab law by new methods of oppression. Alibabaei revealed a new scheme to deploy members of the Basij militia in each Qom neighbourhood to enforce the hijab law. The new scheme includes installing programs such as "Be a famous leader in our neighbourhood", ordering IRGC/Basij forces to conduct neighbourhood patrols, the use of intelligence, intimidation, and enforcing accountability of regular citizens (for example by appealing to the responsibility of building and residence managers for "badly veiled" residents). This scheme represents a new level of denunciation and information gathe-
